

# GREENWICH RANGE

This beautiful collection of furniture is made from solid Ash and finished with elegant steel handles. The grain is lovely, full of character and the finish is a natural soft sheen lacquer highlighting all the qualities of this lovely wood. Our beds are supplied with sprung slats for a better nights sleep and our wardrobes 'knockdown' to enable them to go up most staircases. They are quick and easy to assemble and are very robust. The range is traditionally constructed including dovetails to the front and rear of each drawer which are also fitted with drawer stops for added safety.
